This is a summary of rates for convenience only and does not list all types of vehicles. Please refer to the companies' proposals for other types of vehicles, specific charges such as city differentials, and other special situations. Rates indicated below include unlimited mileage.

When more than one supplier is listed for a particular item, selection should be made, whenever possible, from any of the groups identified below, consistent with agency needs, and price considerations. Please contact the representative from either rental car firm before renting as additional discounts/specials may be available per the NC contract specifications. Neither Triangle nor Enterprise list a monthly rate. Either supplier could be contacted for monthly rates. Other items to be considered are refueling policy, additional driver fees, surcharges, pick up/drop--offs, road services, and car sharing programs.
